Re: Leg. Prog. #304 - "Providing for the acquisition and preservation by the United States of certain items of evidence pertaining to the assassination of President John F. Kennedy."

Attached for your comment is a copy of a draft bill and a letter of submission to the Speaker of the House of Representatives which the Department proposes to submit to the Bureau of the Budget, and, subsequently, to the Congress.

Since the subject of the proposal is a matter of urgency within the Executive Branch, we would appreciate any views you may have by the close of business, Tuesday, May 4, 1965.
